Dear Members,

As an ethnic Polish financial institution, we strive to support many initiatives promoting Polish culture, history and tradition in the United States. As part of this activity, several years ago we initiated the ceremony of raising the flag of the Warsaw Uprising on each August 1, the anniversary of its outbreak. Such flags are waving for 63 days outside our branches on McGuinness Boulevard in New York and in Bridgeview, Illinois. This is our way of reminding and educating about the heroic insurrection of Poles fighting for the independence of their Homeland during World War II.

As the summer vacation season comes to a close, many of you have probably traveled to Poland or other countries. I am sure you have noticed that our online services, as well as our debit and credit cards, are a perfect solution for such trips. For example, I can tell you that in June and July alone, our members used over 26,000 of our Credit Union's credit and debit cards when making purchases and transactions in Poland.

We constantly strive to improve our products and services and starting August 1 you can send money abroad in any currency. This is a new service that has been very popular with our Credit Union members from the very start, in response to your needs. We will continue our efforts to keep satisfying the needs and expectations that PSFCU members bring to our attention.

Finally, I am pleased to inform you that we are beginning work at our soon-to-be-opened 19th branch, the first in Pennsylvania. The branch will be located at 334 North 9th Street in Stroudsburg, PA 18360, and is scheduled to open in mid-November. Our reports show that nearly one thousand current Credit Union members live in the area. I invite Stroudsburg residents to take advantage of the services of our new branch and I encourage all members to keep abreast of our Credit Union's activities and special promotions at our branches as well as in the social media.

Fighting Poland Flag Flies Over New York

A white and red flag with an anchor symbolizing Fighting Poland was raised over the Polish neighborhood of Greenpoint. It was hoisted at exactly the same time as the "W Hour" which started the Warsaw Uprising 74 years ago on August 1, 1944. The flag will wave in front of the Polish & Slavic Federal Credit Union headquarters for 63 days, until October 2, the length of time that the Uprising lasted.

At precisely 11 a.m. New York time, with the roar of fire sirens and the engines of the Unknown Bikers' motorcycles, Mieczyslaw Madojski, a Home Army soldier code-named Marek who commanded the Topolnicki platoon of the Zoska battalion in the Uprising, raised the flag up the mast. This is the third time that the white and red flag with the anchor emblem will commemorate the heroes and victims of the Warsaw Uprising and remind people of the Polish Underground State.

"Regardless of where we live, as Poles we must remember the Warsaw insurgents, the heroes and the victims of this uprising. It is thanks to them, and thanks to the heroes of subsequent uprisings in June 1956, December 1970, and Solidarity in 1980, that we have a free and independent Poland," said PSFCU Chief Executive Officer Bogdan Chmielewski, stating that a similar ceremony was also being held at our Credit Union's Bridgeview branch near Chicago.

Mr. Chmielewski pointed out how important it was to hold such events in New York, the media center of the New World. "It is here in New York that we must promote our values, our love for freedom, and the defense of those weaker than us, which is especially important now, when for over ten months we Poles have been exposed to attacks by..."

the media. Let us make use of these 63 days when the insurgent flag will be waving, to show our American friends the values that we represent as Poles and the Polish community,” Mr. Chmielewski said.

“Thank you for remembering that you are proud to be Polish. We will keep up the tradition of honoring the Uprising, because it shows that the Polish spirit lives on and cannot be destroyed,” said PSFCU Board of Directors Chairman Krzysztof Matyszczuk.

Invited guests included two Warsaw insurgents: in addition to Mieczyslaw Madejski, also present was Wladyslaw Mazur, who had raised the insurgent flag last year. Also in attendance again this year were Polish Supplementary school teachers, scouts, representatives of Polish veteran and community organizations, Greenpoint residents and employees of the Polish & Slavic Federal Credit Union. Special posters for the anniversary of the Warsaw Uprising were distributed during the ceremony.

“I would like to thank the Polish & Slavic Federal Credit Union for such a fantastic ceremony commemorating the Uprising. I am here for the second time and intend to be here every year. I am also grateful to you, our wonderful New York Polish community, who are truly patriotic and raising your children in a patriotic spirit. Honor and Glory to the Heroes!” said Poland’s Consul General in New York Maciej Golubiewski.

Those in attendance listened to insurgent songs, and the ceremony was capped off as everyone sang one of the best known songs led by the senior citizens from the Amber Senior Club in Greenpoint under the artistic direction of Janusz Skowron.

Guests at PSFCU

The motto of the Polish & Slavic Federal Credit Union is “Our Credit Union is more than a bank”, which is a good description of this special combination of a financial institution and a cultural and social center for the entire Polish-American community. An excellent example of this are the meetings with celebrity guests from Poland organized for our Credit Union members in Greenpoint New York and Garfield, New Jersey.

On Saturday August 10, after the only concert of “BAJM” in New York, vocalist Beata Kozidrak had time for just one meeting with fans. It was held on Saturday at our Credit Union’s Greenpoint branch at 100 McGuinness Blvd. There was a special cake (made by PSFCU Ridgewood employee, Ms. Halina Medlarz) and time for a chat and photos with a large number of fans.

On August 23 and 24 we hosted Sebastian Mila, former soccer player, who earned 38 caps with the Polish National Soccer Team and scored the memorable second goal in the historic victory over the world champion Germany on October 11, 2014. Meetings with PSFCU members were held at the McGuinness and Garfield, NJ branches.

“The meetings with the Polish community at our Credit Union branches were a real honor for me,” said the soccer star after he met with many fans at each of the branches, shaking hands with everyone, writing autographs and posing for souvenir photos. Sebastian Mila was also the guest of honor at the 28th Kazimierz Deyna Memorial Soccer Tournament, which took place on August 25 and 26 in Hope, New Jersey. “It was a great event meant not just for sports and a good time, but most importantly uniting Polish people living on foreign soil,” said Mila after the event organized by the Polish-American Soccer Association, with PSFCU as the main sponsor.

August is field work time for branch employees of the Polish & Slavic Federal Credit Union. A time for festivals, outdoor concerts, church and local weekend picnics, as well as daily work with the local community.

Harvest Festival with the PSFCU

The Harvest Festival of the Association of Polish Clubs was held on August 19 at the church grounds of the Pauline Fathers at St. Rosalie Parish in Harwood Heights, Illinois. For nine years, the Polish Harvest Festival has been attended by representatives of the Polish & Slavic Federal Credit Union, which very generously supports many Polish cultural, educational and community initiatives in and around Chicago. Again this year, branch employees from Norridge (along with Branch Manager Katarzyna Kwaterkiewicz) and Glendale Heights worked at the PSFCU stand.

Highlanders from Clifton

As every year, the members of the Polish Highlanders Association of New Jersey, Kazimierz Przerwa-Tetmajer Group 6, held their Highlander Picnic in Clifton, NJ. As always, employees of the PSFCU Clifton branch along with Manager Marzena Fernandes were present at the event.

Thanks to the Hero

As announced, PSFCU Maspeth Branch Manager Malgorzata Leniartek bestowed on Mieczyslaw Madejski (Commander of the “Topornicki” platoon in the Home Army “Zoska” battalion during the Warsaw Uprising) a poster with his likeness, with the words of gratitude spontaneously written by our Credit Union members. You may recall that he raised the white and red flag with the symbol of the Polish Underground on August 1 outside the PSFCU headquarters. The poster with his picture was distributed that day at PSFCU branches on the East Coast.

A Visit by Scholarship Recipients

On Friday August 17 the PSFCU headquarters in New York hosted three participants of the Presidential Study Trip, which was a part of the PSFCU Scholarship Program for 2018. During their visit, Victoria Cegielski, Joanna Kopko and Magdalena Kobeszkó presented us with our Credit Union scarf signed by Polish President Andrzej Duda in Warsaw in June. We thank them for their visit and wish all our Credit Union scholarship recipients all the best as they make their way through in life!
