Dear Members,

During the Christmas season, we tend to not only reflect on the passing year, but also to express gratitude for the successes that we have achieved together. I can already say that 2019 was a very successful year for our institution. We have recorded a significant increase in deposits, assets, and above all, the membership of Our Union has increased significantly. In 2019, we have exceeded two billion dollars in assets and one hundred thousand PSFCU Members! This year, we have expanded our geographical footprint, opening the first branch in the state of Pennsylvania at the beginning of the year and, recently, our newest, 20th branch located in Orland Park, Illinois. Our success is based on a dedicated and professional team of employees and volunteers, but above all on the trust and reliability of you, members of Our Credit Union.

The passing year was also a year of very good relations and cooperation with many Polish-American organizations. I would particularly like to mention the Polish Supplementary School Council and all Polish schools, gathering thousands of children, parents and, above all, the teachers dedicated to the cause of education in the Polish community. I have to mention our partner relations with the Jozef Piłsudski Institute of America, the Kosciuszko Foundation and the Polish Army Veterans Association. I would also like to thank the Polish Highlanders Alliance in North America for their 90 active years and at the same time I wish them further success in the years to come. I wish to thank the organizers of the annual General Pulaski Parades in New York City and Philadelphia, and the May 3rd Parade in Chicago for their efforts and commitment. This year, we have also established closer cooperation with a renowned institution, the Polish Museum of America in Chicago.

We are very happy to support Polish scouts as well as organizations supporting our seniors. I am grateful to all Polish parish priests for their kindness and support for Our Credit Union. It is impossible to list all organizations here and the huge crowd of people who stand behind them and work for the Polish community in the United States on a daily basis. Thank you all for the very successful year.

As usual during the holiday season, I invite you to take part in a fundraiser benefitting selected hospices for children in Poland, organized jointly with the Children's Smile Foundation. It is already the 6th edition of the Children's Holiday Smile campaign, supported by the First Lady of the Republic of Poland, Mrs. Agata Kornhauser-Duda. Over the past five years, you have already provided over $610,000 USD to the underprivileged and ill children!

On behalf of the Board of Directors, the Supervisory Committee and the Management of the Polish & Slavic Federal Credit Union, I wish you, your families and loved ones a healthy, cheerful and joyful Christmas, and every success in your private, professional and community life in the coming New Year 2020.

Sincerely,

Krzysztof Matyszczyk
Chairman of the PSFCU Board of Directors

New PSFCU Branch in Orland Park

Polish & Slavic Federal Credit Union has opened its sixth branch near Chicago. The grand opening of Our Union location in Orland Park in the southern suburbs of the Chicago Metropolitan Area took place on Saturday, November 9.

PSFCU newest branch is the most southerly branch in Illinois and the sixth in Chicagoland. According to the Chairman of the PSFCU Board of Directors Krzysztof Matyszczyk, the opening of the twentieth branch of PSFCU clearly indicates that “Our Credit Union is growing well” and remains the true “leader of the Polish community.” Chairman Matyszczyk received a special, commemorative license plate for the Polish & Slavic Federal Credit Union, which was handed to him by the Illinois Deputy Secretary of State, Tom Benigno.

“Almost ten years ago, we decided to open the first branches in Illinois. Today, we already have six branches, over 300 million dollars in loans granted, 231 million in deposits, but most importantly, over 24,000 PSFCU members. Currently, almost every fourth member of Our Credit Union is a member of Our Union!”

As a reminder: the Children’s Holiday Smile campaign continues until December 31, 2019.
Before the end of the year, you have a lot of holiday season expenses, so taking out a loan is worth considering. At our Credit Union, we offer a Home Equity Line of Credit (HELOC) on very attractive terms.

The prize drawings began on July 24, 2019 and lasted 100 days; on each day, one prize was drawn among PSFCU members until October 31, when three main prizes were drawn. There were attractive prizes to be won: from cash certificates worth one hundred dollars to everyday electronics. Winners were announced every day on the PSFCU website at www.psfcu.com and in our social media. The main prizes were drawn on October 31: three Samsung LCD TVs.

We congratulate all our prize winners!
