Dear Members,

The Polish & Slavic Federal Credit Union hosted its Annual Meeting at the PSFCU Operations Center in Fairfield, New Jersey on Saturday, May 18, 2019. Throughout the meeting, members had the opportunity to learn about the PSFCU’s fiscal 2018 and about the upcoming plans. Additionally, the results of the PSFCU Board of Directors election were announced.

Fiscal 2018 proved to be another year of substantial growth of the Polish & Slavic Federal Credit Union. In the course of fiscal 2018, PSFCU has increased its assets, as well as loans and deposits portfolio. We are particularly happy with the growing number of new PSFCU members. I am also pleased to inform you that, as a result of our operations, PSFCU’s annual net profit for fiscal 2018 reached $15.05 million and was a record result in the history of our institution. In summary, 2018 proved to be yet another successful year at the Polish & Slavic Federal Credit Union and we continue to be grateful for consistently welcoming new members.

Detailed information on the financial results of the Polish & Slavic Federal Credit Union’s during fiscal 2018 is published in our Annual Report, which can be found on our website at www.psfcu.com or by stopping by any PSFCU branch.

As stated in the Annual Report, PSFCU continues its development. Our consistent growth means that in the upcoming months, the Polish & Slavic Federal Credit Union will exceed $2 billion in assets and 100,000 in the number of members. These numbers are very impressive for an institution which, forty-two years ago, was founded by a handful of individuals, with a solitary table in a Polish diner in Greenpoint. Our achievements would not be possible without the trust and involvement of our loyal members, for which I would like to thank you all. I also wish to thank all our employees for their professionalism and dedication.

At the end of the Annual Meeting, results of the PSFCU Board of Directors election were also announced. I would like to sincerely congratulate the directors who, together with me, were elected to the new term on the Board, Messrs. Mariusz Sniadowski, Esq. and Henry Walentowicz, Esq. I also thank our outgoing directors, Mrs. Malgorzata Wadowski and Dr. Pawel Maciag, for their service and commitment on behalf of PSFCU. I am grateful to all those who cast their votes in the election. PSFCU is a member-owned institution and your involvement is key for the direction of its future development.

One of the main tasks of the PSFCU Board of Directors is the preparation and approval of our institution’s growth strategy for the upcoming years, as well the supervision of the implementation of the strategic plan. In addition, the Board reviews and approves the operational rules and regulations of PSFCU. I am convinced that our newly-elected Board of Directors will successfully guide our institution towards continued growth.

I wish you all a memorable and relaxing summer vacation, and I invite you to take advantage of our new and improved products and services which, owing to new technologies, are available around the world.

Sincerely,

Krzysztof Matyszczyk
Chairman of the PSFCU Board of Directors

An Integral Part of the Polish-American Community

The Polish & Slavic Federal Credit Union is an integral part of the Polish-American community. An important part of our mission is to always be present where something important for the Polish community is taking place. Employees from all Credit Union branches, of which there are now 19, are always very close to you. They participate in local events and celebrations both during business hours as well as after hours and on weekends.

According to our statistics, during fiscal 2018, our Credit Union was involved in 469 local community events. Statistically speaking, PSFCU organized or PSFCU employees or volunteers were present at more than one Polish community event per day.

In addition, we donated $445,873 from our donation budget to 126 organizations, schools, parishes and other institutions operating within the Polish community. 398 young high school and college students benefited from our flagship Scholarship Program in 2018 (the budget amounted to nearly $450,000. Moreover, our marketing budget in fiscal 2018 was $1,78 million and was mainly allocated toward advertising in the Polish ethnic media and sponsoring Polish community events.

In total, PSFCU allocated over $2,67 million to scholarships, donations and marketing budget. It would hardly be possible to find another institution that spends such amounts in support of the Polish community in the United States.

sponsored by PSFCU, it is worth reminding that for the sixth time, PSFCU organized a free trip to the Sanctuary of Our Lady of Częstochowa in Doylestown, Pennsylvania for our Credit Union’s senior citizens from New York and New Jersey. On the first Sunday in September, 21 buses arrived at the popular American Częstochowa with over 1 100 happy pilgrims.

To be eligible to attend the trip, a person needed to be a member of our Credit Union at least 60 years of age, and each member was allowed to bring along one guest for the trip. The seniors set off on the day-long excursion from the PSFCU branches in New York (McGuinness, Boro Park, Copiague, Maspeth, Ridgewood) and New Jersey (Wallington, Clifton, Linden and Union).
With summer right around the corner, it’s the perfect opportunity to take advantage of PSFCU’s services and limited-time offers. Take your dream vacation conveniently and more economically.

Graduations and Celebrations

Representatives from the Polish and Slavic Federal Credit Union displayed their appreciation of the Polish school education community by their involvement in the New York and Pennsylvania graduations.

Annually, PSFCU sponsors multiple events to support and reward educational achievements of hard working students. Therefore, top-ranking graduates received cash certificates to commemorate their dedication (their relentlessly attending Friday evening and/or Saturday morning classes) to learning the Polish language, culture, and history.

These educational Polish and Slavic Federal Credit Union sponsorships provide aid and positively impact over a hundred Polish schools across the United States each year.

Stal Mielec in Ridgewood

The FKS Stal Mielec soccer team celebrated its 80th anniversary while visiting the United States for their third time. The subcarpathian team has earned the championship title in Poland twice, in 1973 and in 1976. Recently, Stal Mielec played at one of three First League sparring matches on the East Coast.

The Polish and Slavic Federal Credit Union Ridgewood branch hosted a meet and greet with the Stal Mielec players. This gave fans an opportunity to meet with thirty-two players and Mielec team members. After mingling with fans, the team was presented with a celebratory cake (credit of PSFCU’s branch employee, Halina Mędrarz).

The evening was a great success and best summarized by the management of
